Greetings Friends and Fellow Cattlemen,

Let me begin by saying thank you to our customers for your continued confidence and support of our program. Each year we are humbled and grateful for all of our repeat, new customers and friends. As we have mentioned for years... this is a family owned and operated ranch which we take pride in by continuing to offer quality cattle that "Work For You."

We know that there are a lot of great cattle being offered for sale this spring, but as you consider your bull choices, we hope that you consider bulls that are backed by a moderate frame, efficiency and docility. Our Red Angus Cows continue to pay for themselves and support our operation year after year. We have always stressed the need to have cattle that are productive yet profitable and require minimum inputs to generate maximum outputs. This is why our ranch motto is "Cattle Working For You!"

This year we are offering the deepest & stoutest set of bulls that we have ever raised. These bulls continue to represent 30+ years of Red Angus breeding experience resulting in some of the very best Red Angus Cows bred and developed to thrive and produce in harsh environments. We have always found that great cows raise great calves and this set of bulls is no exception! They are easy fleshing, good footed, deep bodied bulls that will sire calves born easily, hit the ground with vigor and start growing on day one. We run our cow herd the same way that many of our customers do - out on the short grass prairie with minimal inputs & they are expected to make a living for themselves. The bulls are developed in a manner that is conducive to ensuring good feet, fertility, and longevity so that our customers can bid with confidence.

With these historically high cattle markets, I believe that if you own a cow/calf operation you will be in the driver's seat for the next few years. Buy bulls that will add value to your cowherd by improving your females. Those females create additional value when you market the calves.

We are extremely excited about our offering this year and welcome you to stop by, view the bulls and have a cup of coffee anytime! We look forward to seeing you all soon!

- The Kravig Family

...How it works...

This year the private treaty sale will kick off with a 12 hour bid-off VIA the online platform Sale Day. Each bull will be listed with their pedigree, EPD's, video and a base price. Bidding will go up in \$100 increments.

Please visit WWW.AGSALEDAY.COM to create an account prior to sale time.

...Foot & Disposition Scores...

All sale lots were given a foot and disposition score based on a scale of 1-5, with 5 being the best. These bulls have been handled quietly and exposed to everything from little kids and four wheelers, to dogs and horses. They have been developed in a manner to ensure they keep good feet under them and were scored based on heel depth, claw shape and foot angle.

...Guarantee...

Kravig Red Angus guarantees all bulls selling against breeding injuries for the first 90 day breeding season.

PARAMOUNT

Elevate to a more valuable female.

For over a decade, Red Angus females have commanded more at auction than all other breeds, including Angus. According to Superior Livestock data, Red Angus heifers brought nearly \$17/cwt more – that equates to a \$92/head premium on a weaned replacement female.
